

THE KATY HOME SAVERS ASSOCIATION
1011 Mountain Meadows Dr.
Katy, Texas 77450

The Katy Home Savers Association (KHSA) provides exterior repair and painting services at no charge to homeowners.

To be eligible for this program the homeowner must meet all of the following requirements:

- The owner and occupant of the home living in Katy, Texas or the near surrounding area falling within Waller, Fort Bend or Harris County, Texas.
- Elderly or disabled
- Living on a low income

The home is to be the following:

- Single story
- Wood sided (preferred)
- Free from active termite infestation
- In need of exterior painting and / or repairs

This program deals with exterior work only. We paint houses and do other work such as repair or replacement of siding, trim, studs, sill beams, doors, windows, screens, locks, porches, steps, handrails and wheel chair ramps. This program does not repair roofs or interior systems but some limited interior work may be considered at the discretion of the crew leader and the skills available on the volunteer crew. These will only be considered if safety or livability of the home may be seriously threatened. If the volunteer crew feels it cannot do interior work, an effort will be made to recommend a reputable service company to the homeowner.

All exterior work is performed by a volunteer crew and all material is supplied by KHSA. There is no charge to the homeowner for this work or material. Able-bodied relatives of the homeowner will be expected to assist the volunteer crew.

If you meet the eligibility requirements and need home repairs, please return the attached form with the requested information to KHSA. If your home is selected, a representative of KHSA will contact you.
